ANNUAL REPORTS

OF THE

TOWN OFFICERS

of

Mendon, Massachusetts

including the report of the

SCHOOL COMMITTEE

for the

FINANCIAL YEAR July 1, 1986 - June 30, 1987
CALENDAR YEAR January 1, 1987 - December 31, 1987

DEDICATION

We are pleased to dedicate this Town Report to two citizens of our town, Wesley Shattuck and Francis Irons, who have contributed extensive time and service to our community.

Fire Chief Wesley Shattuck has informed us that he will be retiring at the end of the Fiscal Year, June 30, 1988. Wes joined the Fire Dept. in 1946 and was appointed Chief in 1976. His dedication in service to the Town is to be highly commended. Whenever the fire whistle blew, Wes was always at hand to protect lives and property.

In the past, Wes has served on the Council on Aging and is currently a member of many benevolent organizations.

Francis Irons retired June 1987 as Superintendent of Streets/Highway Surveyor. He diligently served at this position from 1975 to 1987. He also served as a Park Commissioner and was the Director of Civil Defense. Last, but not least, it should be noted that Fran served thirty years on the volunteer Fire Department retiring as Deputy Fire Chief in 1984. It seemed whatever had to be done, from election booths to be moved, monuments to be replaced or Park Department work to be done, Fran would always be there.

We will miss these two public servants. They gave of themselves because they cared for their Town and the welfare of its citizens.

We hope their example will encourage others to volunteer their services to the Town for a better Mendon.

On behalf of all the citizens of Mendon, we wish Wes and Fran good health, prosperity and happiness in retirement.

Thank you, gentlemen, you have served your Town well.

Special Town Meeting — April 13, 1987

TOWN WARRANT
COMMONWEALTH OF MASSACHUSETTS

Worcester, SS.

TO THE CONSTABLE OF THE TOWN OF MENDON IN THE COUNTY OF WORCESTER, Greetings:

In the name of the Commonwealth of Massachusetts you are directed to notify the inhabitants of the Town of Mendon qualified to vote in elections and in town affairs to meet at the TOWN HALL in said Mendon on Monday the 13th day of April A.D. 1987 punctually at 7:30 P.M., to act on the following articles, viz:

ARTICLE 1. To see if the Town will vote to appropriate a sum of money to purchase a backhoe for the Highway Department.

ARTICLE 2. To see if the Town will vote to appropriate a sum of money to replace the heating systems in the Highway Barn and Fire Station.

ARTICLE 3. To see if the Town will vote to appropriate a sum of money to paint the Upper Town Hall interior.

ARTICLE 4. To see if the Town will vote to appropriate a sum of money to update Assessor's Revaluation.

ARTICLE 5. To see if the Town will vote to appropriate from available funds the sum of $2,202.49 to Library Expense Account.

ARTICLE 6. To see if the Town will vote to transfer a sum of money from Worcester County Retirement expense account to Group Insurance expense account.

ARTICLE 7. To see if the Town will vote to transfer a sum of money from Worcester County Retirement expense account to Planning Board expense account.

ARTICLE 8. To see if the Town will vote to appropriate the sum of $40,000 to the Stabilization Fund.

And you are directed to serve this Warrant by posting an attested copy in three or more public places in the Town of Mendon at least seven days before said meeting; one copy thereof shall be posted on the Town Hall Building.

Hereof fail not, and make due return of this Warrant with your doings thereon to the Town Clerk of said Town before the time of meeting aforesaid.

Given under our hands at Mendon, this 30th day of March A.D. 1987.

Frederick J. Kelley, Jr.
Robert R. Kelly — Selectmen of Mendon

A true copy, attest:

Mark P. Bucchino — Constable of Mendon

COMMONWEALTH OF MASSACHUSETTS

Worcester, SS. Mendon, March 30, 1987

I have served the within Warrant by posting an attested copy and publishing as herein directed and have otherwise complied with all the requirements of law.

Mark P. Bucchino Constable of Mendon

Rec'd. and Filed Mar. 30, 1987

TOWN WARRANT
COMMONWEALTH OF MASSACHUSETTS

Worcester, SS.

TO THE CONSTABLE OF THE TOWN OF MENDON IN THE COUNTY OF WORCESTER, Greetings:

In the name of the Commonwealth of Massachusetts you are directed to notify the inhabitants of the Town of Mendon qualified to vote in elections and Town affairs to meet at the All Purpose Room of the Henry P. Clough School in said Mendon on Monday the 4th day of May A.D. 1987 punctually at 9:00 o-clock A.M. to act on the following articles, viz:

Article 2 and all the following articles on this Warrant will be acted upon Friday the 8th day of May A.D. 1987 at 7:30 P.M. at the Main Auditorium of Nipmuc Regional High School.

ARTICLE 1. To bring in their ballot for the following Town Officers:

One Town Moderator for one year.
One Selectman for three years.
One Assessor for three years.
One Member of the Board of Health for three years.
One Town Clerk for one year—To fill an unexpired term.
One member of the Mendon-Upton Regional School District Committee for three years.
One member Trustee of the Taft Public Library for three years.
One Water Commissioner for three years.
One Park Commissioner for three years.
One Highway Surveyor for three years.
One Member of the Planning Board for three years—To fill an unexpired term.
One member of the Planning Board for five years.

The following question will also appear on the Ballot:

Question: Shall the Town in addition to the payment of fifty (50%) per cent of a premium for contributory group, life and health insurance for employees in the service of the Town and their dependents, pay a subsidiary or additional rate?

ARTICLE 2. To see if the Town will vote to authorize the Treasurer with the approval of the Selectmen to borrow money from time to time in anticipation of the revenue of the financial year beginning July 1, 1987, in accordance with the provisions of General Laws, Chapter 44, Section 4 and to issue a note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

ARTICLE 3. To fix the salaries and compensations of the elected officers of the Town.

ARTICLE 4. To determine what sums of money the Town will raise and appropriate to defray charges and expenses of the Town including debt and interest and to provide for a Reserve Fund for the ensuing year.

ARTICLE 5. To see what sums of money the Town will vote to appropriate from Revenue Sharings Funds to defray charges and expenses of the Town.

ARTICLE 6. To see if the Town will vote to authorize and direct the Assessors to take a sum of money from available funds to reduce the Tax Levy in fiscal year 1988.

ARTICLE 7. To see if the Town will vote to authorize its Treasurer (Collector) to enter into a compensating balance agreement or agreements for fiscal year 1988 pursuant to Chapter 44, Section 53F of the Massachusetts General Laws.

ARTICLE 8. To see if the Town will vote to appropriate the sum of $2000 to continue support of the Blackstone Valley Regional Development Corp. and to determine whether the money shall be provided for by taxation, or appropriation from any available funds in the Treasury

ARTICLE 9. To see if the Town will vote to accept as a Public Way, the Private Way known as Oak Hill Road or take any action relative thereto.

ARTICLE 10. To see if the Town will vote to appropriate a sum of money for capital improvements to the Library and to determine whether the money shall be provided for by taxation, or any available funds in the Treasury, or take any action in relation thereto.

ARTICLE 11. To see if the Town will vote to rezone a parcel of land in Mendon from Residential to Commercial as shown on "Plan of Land in Mendon, Mass." dated November 13, 1970 by Schofield Brothers Inc. recorded in Plan Book 342, Plan III, submitted to the Planning Board by Theodore Cohen, 10 Charles St., Medway, Mass., which contains 5.372 acres by all measurements more or less or take any action in relation thereto.

ARTICLE 12. To see if the Town will vote to appropriate a sum of money to paint the Town Hall and to determine whether the money shall be provided for by taxation or any available funds in the Treasury or take any action in relation thereto.

ARTICLE 13. To see if the Town will vote to appropriate a sum of money to purchase tables for the Town Hall and to determine whether the money shall be provided for by taxation or any available funds in the Treasury, or take any action in relation thereto.

POLLS WILL CLOSE AT 8:00 P.M.

And you are directed to serve this Warrant by posting an attested copy in three or more places in the Town of Mendon at least seven days before said meeting; one copy thereof shall be posted on the Town Hall Building.

Hereof fail not, and make due return of this Warrant with your doings thereon to the Town Clerk of said Town before the time of meeting aforesaid.

Given under our hands at Mendon, this 13th day of April A.D. 1987.

ANNUAL TOWN MEETING
May 8, 1987

Pursuant to the foregoing Annual Town Meeting Warrant, newly elected Moderator Rolland J. Morin, Jr. calls the meeting to order at 7:30 P.M.

The Town Clerk is directed to note that the Warrant is duly published and served. The Moderator dispenses with the reading of the Warrant.

Voted unanimously to allow the following non-voters into the meeting: Atty. Michael Noferi, Acting Town Counsel; Richard Vernon, Puddingstone Lane, and two minor sons; Alexander Freidah, minor son of Mr. & Mrs. James Freidah who are registered voters; John & Timothy Wilkinson, minor sons of registered voter Pamela Wilkinson; Mr. & Mrs. William Rodny, 73 Millville Road, non-registered; Eric Fletcher, minor son of registered voter Robin Fletcher.

The Moderator recognizes B. Joyce Gilmore for her many years of service to the Town as a Board of Health Member. Mrs. Gilmore did not seek re-election. Mr. William Butler, Chairman, Board Health asks to be recognized and advises that Mrs. Gilmore has been appointed as Health Agent.

The Moderator recognizes Mr. Francis Irons for his many years of service to the Town as Highway Superintendent. Mr. Irons did not seek re-election.

The Moderator recognizes Mr. Alfred Baptiste, Chairman of the Finance Committee to present the Finance Committee letter and statement to the Assembly.

ARTICLE 2. Voted that the Town authorize the Treasurer with the approval of the Selectmen to borrow money from time to time, in anticipation of the Revenue of the Financial Year beginning July 1, 1987, in accordance with the provisions of General Laws Chapter 44, Section 4 and to issue a note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17. **Unanimous vote**

ARTICLE 3. Voted that the Town vote to fix the salaries and compensations of the Elected Officers as follows, with the exception of Highway Surveyor pending an amendment:

Town Clerk	$8,500.00
Town Moderator	50.00
Selectmen Chairman	1,000.00
Selectmen Member	800.00
Town Treasurer/Collector	12,700.00
Assessor	2,400.00
Board of Health Chairman	200.00
Board of Health Member	150.00
Planning Board Chairman	200.00
Planning Board Member	150.00
Tree Warden	5.70/Hour
Highway Surveyor	26,800.00 (Amendment)

Amendment proposed by Robert Kelly to fix the Highway Surveyor salary at $29,212.00 defeated by majority voice vote after discussion.

Voted to fix the Highway Surveyor salary and compensation at $26,800.00 as originally proposed on the Finance Committee motion.

ARTICLE 4. Voted that the Town raise and appropriate the sum proposed by the Finance Committee to defray charges and expenses of the Town including debt and interest and to provide for a reserve fund for the ensuing year including arithmetical corrections presented by the Finance Committee:

Line item 26b from $52,055.00 to $52,302.00
Line item 17d from $57,762.00 to $75,020.00
Line item 26f from $42,226.00 to $42,407.00
And with the exception of the following line items:

Unanimous Voice Vote

Line item 17a
Voted that the Town appropriate $172,611.00 for Police Salary and Wages.

Majority Voice Vote

Line item 17g
Voted that the Town appropriate $31,391.00 for Police Department Expenses.

Unanimous Voice Vote

Line item 18c
Voted that the Town appropriate $430.00 for Dog Officer, New Equipment.
Majority Voice Vote

Line item 23a
Voted that the Town appropriate $1620.00 for Tree Warden, Salaries and Wages.
Unanimous Voice Vote

Line item 23b
Voted that the Town appropriate $4215.00 for Tree Warden Expense.
Unanimous Voice Vote

Line item 23c
Voted that the Town appropriate $2000.00 for Tree Warden Dutch Elm Control.
Majority Voice Vote

Line item 26c
Voted that the Town appropriate $117,105.00 for Highway Department, Expense (General Repairs. **Unanimous Voice Vote**

Line item 29a
Voted that the Town appropriate $1,407,754.00 for the Mendon-Upton Regional School District, Operational Assessment. **Majority Voice Vote**

Line item 29b
Voted that the Town appropriate $44,654.00 for Mendon-Upton Regional School District, Capital Costs. **Unanimous Voice Vote**

Total Amount to be raised and appropriated for Article 4 is $2,636,130.00.

ARTICLE 5. Voted that the Town transfer the sum of $12,475.00 from Revenue Sharing Funds to defray charges and expenses of the Town. Said monies to be applied to Capital Improvements to the Library (Article #10 upcoming) and painting of the Town Hall ($4,475.00 Article #12 upcoming). **Unanimous Voice Vote**

ARTICLE 6. Voted that the Town authorize and direct the Assessors to take the sum of $94,773.00 from available funds to reduce the Tax Levy in fiscal year 1988.
Unanimous Voice Vote

ARTICLE 7. Voted that the Town authorize the Treasurer/Collector to enter into a Compensating Balance Agreement or Agreements for fiscal year 1988 pursuant to Chapter 44, Section 53F of the Massachusetts General Laws.
Unanimous Voice Vote

ARTICLE 8. Voted that the Town appropriate the sum of $2,000.00 to continue support of the Blackstone Valley Regional Development Corporation upon a motion by Selectman Robert Kelly, second by Selectman Frederic Kelley, Jr.
Majority Voice Vote

ARTICLE 9. Voted to pass over Article 9, upon a motion by Selectman Robert Kelly, seconded by Selectman Frederic Kelley, Jr. **Unanimous Voice Vote**

ARTICLE 10. Voted that the Town transfer the sum of $8,000.00 from Revenue Sharing Funds for Capital Improvements to the Library.
Unanimous Voice Vote

ARTICLE 11. Voted to pass over Article 11 upon motion by James Ruhan, second by Peter Denton both of the Planning Board. **Unanimous Voice Vote**

ARTICLE 12. Voted that the Town transfer the sum of $4,475.00 from Revenue Sharing Funds and to transfer $3,125.00 from Free Cash to paint the Town Hall.
Unanimous Voice Vote

ARTICLE 13. Voted to transfer the sum of $1,300.00 from Free Cash to purchase Tables for the Town Hall. **Majority Voice Vote**

Motion by Selectman Robert Kelly, second Selectman Frederic Kelly, voted to dissolve the warrant and adjourn at 9:15 P.M. **Unanimous Voice Vote**

138 voters in attendance, tellers Joanne Goodnow and Mary Ames, police officer Edgar Cram on duty.

Respectfully submitted,

Clarence R. Phipps, Town Clerk

Special Town Meeting — June 29, 1987

TOWN WARRANT
COMMONWEALTH OF MASSACHUSETTS

Worcester, SS.

TO THE CONSTABLE OF THE TOWN OF MENDON IN THE COUNTY OF WORCESTER. Greetings:

In the name of the Commonwealth of Massachusetts you are directed to notify the inhabitants of the Town of Mendon qualified to vote in elections and in Town affairs to meet at the Henry P. Clough School, All Purpose Room in said Mendon on Monday the 29th day of June A.D. 1987 punctually at 7:30 o-clock P.M. to act on the following articles, viz:

ARTICLE 1. To see if the Town will vote to enter into a definitive agreement with SES Millbury Company, for delivery of certain waste materials to the SES Resource Recovery Facility in Millbury, Massachusetts, for a period of 20 (twenty) years or take any action in relation thereto.

ARTICLE 2. To see if the Town will vote to accept as a Public Way, the Private Way known as Oak Hill Road or take any action in relation thereto.

ARTICLE 3. To see if the Town will vote to amend the Mendon Zoning By-Laws as follows, or act in relation thereto:

Section V
Item 2

A. Area in square feet for one family house	60.000
B. Area in square feet for a two family house	90,000
C. Frontage distance in feet for a one family house to be	200
D. Frontage distance in feet for a two family house to be	300
E. For the purpose of meeting the minimum frontage requirements, lot frontage shall be measured on one roadway only.	
F. Distance from center of street to front of structures in feet to be	85
G. Distance between lot lines and structures in feet	20
H. Distance between lot lines and detached accessory one story buildings and garages in feet	15
I. Minimum width of lot at location of leaching are in feet to be	125
J. Minimum width of standard size lot shall equal fifty (50%) per cent in feet of the frontage measurement.	

Item 3
No part of any pond, stream, river, swamp or wetlands shall be included as part of a lot for the purpose of determining the minimum dimensional requirements of the lot.

Present Item #3 to become Item #4
Present Item #4 to become Item #5
Present Item #5 to become Item #6

ARTICLE 4. To see if the Town will vote to transfer a sum of money from the Reserve Account to Assessors's Expense Account.

And you are directed to serve this Warrant by posting an attested copy in three or more public places in the Town of Mendon at least seven days before said meeting; one copy thereof shall be posted on the Town Hall Building.

Hereof failnot, and make due return of this Warrant with your doings thereon to the Town Clerk of said Town before the time of meeting aforesaid.

Given under our hands at Mendon, this 15th day of June A.D. 1987.

Robert R. Kelly
Frederic J. Kelley, Jr. Selectmen of Mendon
Louis J. Carpenito

A true copy, attest:

Ernest Horn Constable of Mendon

Worcester, SS. Mendon, June 15, 1987

I have served the within Warrant by posting an attested copy and publishing as herein directed and have otherwise complied with all the requirements of law.

Ernest Horn Constable of Mendon

Received and filed June 15, 1987

Clarence R. Phipps, Town Clerk

TOWN OF MENDON

Special Town Meeting — June 29, 1987

Pursuant to the foregoing Warrant, the Moderator Rolland J. Morin, Jr. calls the meeting to order at precisely 7:30 P.M. and declares a five minute recess to allow voters to be seated.

The meeting is called to order at 7:35 P.M. and the Town Clerk is directed to note that the Warrant is duly published and served. the Moderator dispenses with the reading of the Warrant.

The following non-registered citizens wish to attend the meeting and upon there being no objections from the meeting, are seated in a special section directed by the Moderator: Geraldine Watoga, Richard Bennett, Rissell Santoro, David Rexroad, John Feenstra, Loretta Stewart, Duncan Stewart, David Stewart, Wayne Kreson.

ARTICLE 1. Voted that the Town authorize the Board of Selectmen to enter into a definitive agreement with SES Millbury Company, for delivery of certain waste materials to the SES Resource Recovery Facility in Millbury, Massachusetts, for a period of twenty years. **Unanimous Voice Vote**

ARTICLE 2. Voted that the Town accept as a Public Way, the Private Way known as Oak Hill Road. **Unanimous Voice Vote**

The Moderator anticipating considerable discussion on Article #3 decided to act on Article #4 out of the order of published articles on the Warrant and on no objections from the meeting proceeds to Article #4.

ARTICLE 4. Voted that the Town transfer $1,400.00 from the Reserve Account to the Assessors's Expense Account. **Unanimous Voice Vote**

ARTICLE 3. Mr. James Ruhan makes the motion to amend the Mendon Zoning By-Laws as presented in the Warrant and his motion is duly seconded.

Mr. James Ruhan as Chairman of the Planning Board presents a report to the Town advising the reasons that the Planning Board requests favorable action on the Article, noting that a Hearing on the Article was held on June 11, 1987 as required by law after notices had been duly published and posted.

During the considerable discussion on this Article, Mr. David Stewart, a non-resident, requests to speak to the meeting and on a show of hands 61 in favor and 48 opposed, the Moderator allows Mr. David Stewart to address the assembly.

Miss Julie Noonan requests that the motion be divided as provided by Mendon's By-Laws and more than 10 voters rising in their places in support, the Moderator declares that the Article will be divided and each item to be voted on separately.

As a two-thirds vote is necessary for the Article to pass, the Moderator appoints Joanne Goodnow and Conrad Beliveau as Tellers.

The Moderator explains that the meeting will be voting on those items in Article #3 that are changes to the existing Zoning By-Laws.

Section V, item 2 B voted that the area in square feet for a two family house be 90,000.

Hand Count 104 Yes, 22 No

Section V, item 2 D voted that the frontage distance in feet for a two family house be 300. **Hand Count 85 Yes, 33 No**

Section V, item 2 E voted that for the purpose of meeting frontage requirements, lot frontage shall be measured on one roadway only.

Hand Count 97 Yes, 17 No

Section V, item 3 voted that no part of any pond, stream, river, swamp or wetlands shall be included as part of a lot for the purpose of determining the minimum dimensional requirements of the lot. **Hand Count 94 Yes, 23 No**

Unanimously voted that:
Present Item #3 become Item #4
Present Item #4 become Item #5
Present Item #5 become Item #6

On motion of Mr. Robert Kelly, second Mr. Frederic J. Kelley, Jr. voted unanimously to dissolve the Warrant at 9:05 P.M. Police officer on duty Edgar Cram, checker and teller Joanne Goodnow, 137 Registered Voters in attendance.

Clarence R. Phipps, Town Clerk

REPORT OF TOWN CLERK

1987 was a hectic year for this Town Clerk who assumed the responsibility of the position after a brief training from Mrs. Roseanna Elliot who resigned as Town Clerk in February, 1987. I was elected in May to the one year term remaining on the three year term vacated by Mrs. Elliot.

There were many applications for Sub-Divisions and requests for variances as well as Site Plan Reviews. Population figures for January 1, 1987 were 3526 which indicates the growth in Mendon.

There were 482 dogs licenses in 1987. Total fees collected including late fees were $1,657.75. License fees to the Division of Fisheries and Game totalled $1,144.50. Miscellaneous fees turned in to the Treasurer (Maps, By-Laws, etc.) $709.98 and Town Clerk's fees totalled $2,984.35.

A total of 922 residents cast ballots at the Annual Town Election.

I would like to thank all the Election workers, Registrars of Voters and the Town Hall workers who helped me through the year.

Respectfully submitted,
Clarence Phipps, Town Clerk

REPORT OF CONSERVATION COMMISSION

In the year 1987, the Mendon Conservation Commission worked with several building proposals under the Wetlands Protection Act (M.G.L. 131-40). This law requires that any filling, dredging, removing, or altering within 100 feet of wetlands or land subject to flooding be regulated by an order of conditions. A notice of intent was filed for each of the following proposals:

Lots 61, 62, 63, and 64 on Asylum Street — A and A Tetreault
Hartford Avenue West reconstruction — Department of Public Works
Lots 8, 9, 10, and 11 on Blackstone Street — L. and A. Realty
Mendon on the Charles subdivision road — Hilare Construction
Lots 1 and 2 on Neck Hill Road — Keystone Builders
Lot on Uxbridge Road near Lake Nipmuc — Hackenson Corp.
Repair of a logging road near Rock Meadow Brook — Hugo Carlson
Driveway culverts at Rock Meadow Brook — Kevin Norton
Woods Estates subdivision road — J.F.I. Realty
Lot 2 on Blackstone Street — Robante Realty
Lot on Park Street near Lake Nipmuc — Edouard Rouleau
Lots 6 and 7 on Blackstone Street — Robante Realty
Lot 8 on Carpenter Hill Road — Robante Realty
Pond construction at 30 Washington Street — Thomas Hackenson
Lot 2 at Hilltop Estates by David Ablondi
Lots 1 and 2 on Providence Street — Afonso Realty Trust
Lot on Blackstone Street — Allan Greenberg
Swan Dale Estates subdivision road — D.E. Stewart
Lot on Northbridge Road near Crane Pond — Eric Lane
Lot on Kinsley Lane near Lake Nipmuc — Bento Pinto
Lots A and B on Lovell Street — L.C.S. Realty
Crest View Estates subdivision — Greg Burrell
Quissett Hill Estates subdivision road — Al Carboni

The Commission spent a considerable amount of time planning ways to preserve farm land and open space. It worked with John Robertson and Joyce Gilmore and the Division of Fisheries and Wildlife in attempting to preserve two parcels totaling sixty-six acres near the headwaters of Muddy Brook at Miscoe Hill. Negotiations were continuing at year's end.

The Commission created a land bank proposal and submitted it to Selectmen in attempts to not only preserve land, but to plan for the Town's future needs as well. The proposal calls for the creation of a fund that would ensure availability of money for the acquisition of land. It provides a process for decision making for planning and implementing an acquisition program and offers methods of obtaining public control over specified land resources without actual outright purchase.

The annual Town Cleanup was held on April 11, 1987. Joel Boucher, a high school student and candidate for Eagle Scout, directed the cleanup as a community service project for the Mendon Boy Scouts. Assisting Boucher and the Commission were the Mendon Lions Club, Kimball Trucking, Duane Nelson, North East Waste Systems, the Mendon Highway Department, and Mendon Police Department. Approximately one hundred residents assisted in the pickup of roadside litter.

The annual weed maintenance treatment was applied in June by Aquatic Control Technology Inc. of Northboro. Lake Nipmuc was closed for swimming, boating, and fishing for three days in accordance with state regulations.

The Commission supported four zoning by-law amendments submitted by the Planning Board in regard to minimum lot size building requirements. Its strongest endorsement was for the article which required a minimum of sixty-thousand square feet of dry land for a house lot. No pond, stream, river, swamp or wetland is to be included as part of the minimum dimensional requirements. All four articles passed easily.

Due to the escalated engineering costs that the Commission had to pay this year because of rapid housing growth, it was voted to seek the creation of a by-law that would require builders to pay an amount higher than the present twenty-five dollar filing fee. The Commission required an extra two thousand dollars beyond its annual eight hundred dollar appropriation after only four months into the fiscal year. The Commission will be dealing with at least twenty-five proposed subdivisions over the next few years. It feels that the taxpayers should not have to pay the anticipated thousands of dollars of engineering costs that will be necessitated.

The Conservation Commission would like to stress the importance of identifying and preserving the land resources that are necessary for Mendon's future municipal, cultural, historical, and open space needs. It is important that steps be taken now through careful planning and follow-up action to insure the availability of choice land.

Respectfully submitted,

Ian O. Denton, *Chairman*
Richard Grady

REPORT OF LIBRARY TRUSTEES

Renovations of the lower level of the Taft Public Library, undertaken in the fall of 1986, were completed, nearly doubling the library's useable space. Central air conditioning and carpeting were installed. The original wood wainscoating was retained during the renovations and refinished to preserve its historical integrity.

General maintenance work included new gutters and shelving units, repainting the interior and replacing the porch and stairs with pressure treated lumber.

The position of library aide was created to assist with the increased workload and general library operation, bringing the part time staff to three. Donna Pironti was selected for the position.

A survey distributed at the annual Town Meeting pinpointed the library's strengths and weaknesses, based on resident's responses. The data is being used to formulate goals and site priorities. A book drop has been installed in response to the survey provided by the Friends of Taft Public Library.

Policies on equipment and facility use by community groups were adopted.

Respectfully submitted,

Al Wilshire, *Chairman*

Carol Baptiste, *Secretary*
Paul Garagliano, *Treasurer*
Robert R. Kelly
Dr. David Crisafulli
Philip Flaherty

REPORT OF LIBRARIAN

The circulation of library materials for FY 1987 (180 days) was 4990. Circulation by classes was as follows: fiction 1510; magazines 789; juvenile 1700; biography 126; history and travel 193; literature and fine arts 159; science and useful arts 213; tapes 124; all other 176.

During the year 304 new books were added. As the remolding of the interior has been completed, the library has been reorganized. The work on the upper level is completed. The staff is still putting the lower level in order. Both levels are open for use. We have increased the children's area on the upper level. Our lower level currently features a local history, genealogical and research area.

Services available to the library from CMRLS include the bookmobile bi-monthly, the large print van every six weeks, the weekly van for inter-library loan and mail and a rotating collection of VCR tapes.

We are indebted to the Friends of the Library for the continued membership in the Harvard Museums for our patrons as well as a book drop to facilitate book returns during non-library hours. Our hours continue to be Monday, Wednesday and Thursday, 1:30-5:00, 6:30-8:00 and 10-2 on Saturday.

We wish to express our appreciation to the Librarian's Assistant, Mrs. Lauren Cullen and the Librarian's Aide, Miss Donna Pironti for their excellent services to the library and town.

Respectfully submitted,

Lorna Rhodes
Librarian

REPORT OF PARK DEPARTMENT

The Town Beach opened under the direction of Debbie D'Alessandro. The swimming program had 245 children enrolled in the two sessions offered, along with a recreation program to accommodate any of the children in between sessions.

The long awaited basketball and tennis court area was finally completed. The tennis courts were used late into the fall season. The brush along the Taft Avenue side has been cleared out and one hundred and fifty feet of fencing with a heavy gate will be installed in the spring.

The beach house has a number of problems that need immediate attention. The water supply was down during the summer and may have affected the water pump. The beach house is in need of painting or siding.

The Park Department is still looking to expand and develop the Memorial Field area, along with pursuing other avenues of acquiring recreational land to meet the growing needs of the community.

Respectfully submitted,

James Grant
Michael Sullivan
David Weatherbee

REPORT OF BOARD OF APPEALS

The Zoning Board of Appeals reports that it held hearing on 18 petitions during 1987. Five petitions were withdrawn, 5 were denied and 7 were granted. One (1) is pending.

The board schedules public hearings soon after petitions (also known as applications) are received. The board customarily views the property and later calls a meeting to make the decision. Meetings and hearings are usually held on Tuesday evenings, as required.

The authority and duties of the board are described in the Mendon Zoning Bylaw and Mass. General Laws, Chapter 40A. Applications for variances, special permits and other appeals are available from the Town Clerk who also receives the completed application.

It is anticipated that the Zoning Board of Appeals will continue to have an increased work load as Mendon grows.

Respectfully submitted,

Donald H. Keller
Chairman

REPORT OF HISTORICAL COMMISSION

To: The Mendon Board of Selectmen and citizens of the Town of Mendon
From: The Mendon Historical Commission
Re: Annual Report of the Mendon Historical Commission
Date: 1/14/88

The Mendon Historical Commission's activities during the FY 87/88 are as follows:

— Sponsored one night educational workshop entitled "Preservation Planning on the Local Level." Speakers were from the Massachusetts Historical Commission. Workshop was co-sponsored by Mendon's Board of Selectmen, Planning Board, Conservation Commission, Historical Society, Finance Committee and Historic Massachusetts, Inc. Public officials as well as town citizens from fifteen area communities were in attendance.

— Developed and proposed a Scenic Roads Act by-law for the 1988 Annual Town meeting. By-law is co-sponsored by the Conservation Commission. Intent is to utilize sound planning practices to articulate the town's interests in enhancing historical, environmental, scenic and aesthetic characteristics of Mendon's public roadways.

— Assisted in the organization of the Local Historic District Study Committee with the Board of Selectmen. The Committee shall investigate and report on the historic significance of the buildings, structures, features, sites or surroundings included in such proposed historic district or districts as the Committee may recommend, and shall submit a final report with its recommendations after a public hearing, together with a map of the proposed district or districts and a draft of a proposed by-law, to the town meeting.

— To pursue professional assistance to complete the comprehensive historic resource survey of Mendon. A windshield survey suggested approximately 250 to 275 areas, buildings, monuments, archeological sites, burial grounds, structures, streetscapes, parks and landscapes of historical and/or architectural significance.

— Applied for a Massachusetts Historical Commission's Survey and Planning Grant. The grant is a competitive process with other communities based on a 50% reimbursement formula for funds expended. Funds from the grant will be used to offset expenditures for the comprehensive historic resource survey and the Local Historic District Study Committee.

— Assisted Michelle Collins, Mendon resident Holy Cross student with a research project investigating Mendon, MA during the Federal Period, 1790's to 1820's.

— Lent support to the Blackstone Valley Heritage Homecoming Organization, a thirteen town effort to promote economic revitalization by enhancing and highlighting the historic, cultural and architectural heritage of the Blackstone Valley Region. Provided the group with names of Mendon citizens to be nominated to the Heritage Homecoming Hall of Fame.

The quality of environments affects Mendon's citizens in large and measurable ways, and people affect their environments as significantly. The Historical Commission's activities suggest the challenge is to recognize the interdependence with our environment, both natural and manmade, and to have all town citizens make educated choices about the kind of effect we will have on the community we will inhabit.

The Historical Commission is pleased with last year's accomplishments and would like to thank all the town's citizens for their support.

Respectfully submitted,

R. Christopher Noonan, *Chairperson*

Members of the Commission are:

R. Christopher Noonan, Chairman
James Beauchamp

E. Jane Coleman
Janice Muldoon-Moors
Arthur Ober
Valerie Vincent

REPORT OF FIRE DEPARTMENT

To the Honorable Board of Selectmen and Citizens of the Town of Mendon:

The following is a record of the Mendon Fire Department for the year ending December 31, 1987.

Illegal Burning	3
Brush	17
Permits out of Control	5
Investigations	5
Stove	2
Oven	2
Furnace	2
Fireplace	3
Vehicle	10
Structure	4
Chimney	5

Gas Grill	1
Electrical	4
Motor Vehicle Accidents	13
Wash Downs	4
Rescue Calls	2
Mutual Aid	2
Bombscare	4
False Alarms	16

The Fire Department answered 104 calls for the year ending December 31, 1987, creating a substantial increase over last year.

During the year of 1987, a total of 908 permits to burn were issued. All permits must be obtained each day at the discretion of the Fire Chief. — Call 473-3434 —

The Town of Mendon has been very fortunate to have dedicated firefighters who leave their full-time work to answer fire calls, but the number of firefighters employed in Mendon is decreasing. Therefore, I recommend that two permanent men be put on duty in the station Monday through Friday from 8:00 A.M. to 4:00 P.M. I also strongly stress money should be set aside for another tanker pumper truck.

In conclusion, I wish to thank all Town Officials, Town Departments, and Members of the Fire Department during my tenure as Fire Chief.

Respectfully submitted,

Wesley C. Shattuck
Fire Chief

REPORT OF BOARD OF HEALTH

As has been experienced by most of the town's boards, the year 1987 saw the Board of Health handling a record amount of business related to new housing growth. By far, the most demanding in terms of time and expertise, testing and approvals for new homes occupied the vast majority of the board's energy. Following are highlights of the year:

Seventy-seven septic system permits issued for the construction of new homes and/or repair of existing septic systems.

One hundred and fifty-five percolation and deep hole tests were witnessed by the health agent.

Our full-time food service inspection program continues to be successful. Eighteen food service establishments are inspected quarterly. This year the health agent conducted a "choke-saver" course for all the establishments, including both schools. Every establishment was represented.

The usual clinics for the senior citizens and the children were held. We are grateful to the Visiting Nurses Association for their continued high quality care.

The annual Rabies Clinic was held in April and 52 dogs and 2 cats were innoculated. We would also like to thank Dr. Kenneth Shea of Bellingham Animal Clinic for his continued help and support.

Animal Inspectors, Larry and Sandra Pearson, submitted their annual report:

— 102 horses
— 34 ponies
— 276 dairy cattle
— 168 beef cattle
— 372 swine
— 81 sheep
— 7 goats
— 5 donkeys

The Board was unanimous in its praise for the fine work done by the Pearsons.

The Board entered into a twenty year contract with Wheelabrator Millbury for the disposal of trash. This is the first trash to energy plant in the area and represents an excellent long term solution which will prove to be of great benefit to the town as trash problems become more serious in the future. The Board is actively researching a recycling program that will further benefit the town.

In closing, the Board of Health wishes to restate its concern for the environment and protection of water resources. The Board also strongly recommends annual septic tank cleaning and maintenance.

Respectfully submitted,

William Butler, *Chairman*
Valerie Vincent
Robin Fletcher

REPORT OF ANIMAL INSPECTORS

REPORT OF HOUSING AUTHORITY

The Mendon Housing Authority has 2 programs. At Sunrise Apartments we have 30 units under Chapter 667, state-aided low rent housing for the elderly. Under Chapter 707 Rental Assistance for low income families we have two certificates.

To be eligible for admission the net income limits are as follows:

One person	$15,232
Two people	17,408
Three people	19,584
Four people	21,760

Net assets should not exceed $15,000 or one and one-half times the net income, whichever is greater.

Board members hold their regular monthly meeting on the third Tuesday of the month at 7:30 p.m. in the Community Building at the Sunrise Apartments. The annual meeting is held on the third Tuesday in May. The following is a list of Board members:

Chairman	Howard Miller 6 Hastings St. Mendon, MA Term expires May 1990
Vice-Chairman	Joseph F. Bradley 28 Maple St. Mendon, MA Term expires May 1991
Treasurer	David B. Lowell 40 Millville St. Mendon, MA Term expires May 1988
Asst. Treasurer	Peter Denton 39 Thayer Rd. Mendon, MA Term expires May 1989
State Appointee	Position vacant

We have had three vacancies at Sunrise this year. Both of our 707 Rental Assistance certificates are in use.

We are still making our way through the paper work involved in getting our modernization projects started. We are hopeful that work can begin in the Spring.

The Authority would also like to express its gratitude to all who have extended their services to the tenants at Sunrise Apartments in the past year.

Respectfully submitted,

Margaret Tetreault
Executive Director

COMPLAINT — Someone notifies the police department and expresses dissatisfaction or discontent over a particular situation. The police respond to a certain location, in a police cruiser, and try to settle the matter.

INFORMATION — This could be anything from general information to a matter where police must take action. These are log entries of fact, to make other police officers aware of potential problems they may encounter.

Total Cash Value of Goods Stolen	$44,777.00
Total Cash of Goods Recovered	$22,715.00
Pistol Permits, FID Cards, Insurance Reports, and Police Reports	$ 1,280.00
Motor Vehicle Fines from Milford District Court	$56,602.50
Answering Service Police Calls	4,907

We regretfully accepted the resignation of Officer Michael J. Pasacane, who joined the Milford Police Department.

We regretfully accepted the resignation of our office clerk, Linda LaBastie. Linda went on to work in the business world.

We regretfully accepted the resignation of another office clerk, Beverly Desjardins, who now works full time at the Milford courthouse.

We regretfully accepted the resignation of Officer Mark Bucchino, who left the state to live with his family.

The school crossing guard position was dissolved and Lisa Mottola was not reappointed to that position.

Officer Dave Shane was appointed to the Mendon Police as a full time police officer. Dave completed 14 weeks of training at the Foxboro Police Training Academy and now works the 4 p.m. to 12 p.m. shift, Sunday through Thursday. Dave is a welcome addition to our force, and had been a Reserve Police Officer for many years.

Officer Mathew Mantoni was appointed to the Mendon Police as a full time police officer. Mathew comes to us from New Hampshire where he worked as a State Trooper. Mathew completed his Police Basic Training Course in Concord, N.H. Mathew has completed Intoxilizer Training, and a 3 day Massachusetts Law, refresher course. Mathew is the grandson of former Chief of Police, with the same name, killed in the line of duty, January 11, 1950. Mathew brings with him much experience and knowledge, and is a welcome addition to the Mendon Police Department.

Officer Joseph Bishop was appointed as a Mendon Reserve Police Officer. Joseph had previously been a Hopedale Reserve Officer for the last 11 years. Joe brings with him much knowledge and experience and is already a large asset to our department.

Elizabeth Mantoni was appointed as our newest Office Clerk. Elizabeth's schooling and clerical experience is already making the department run more efficiently. Betty's charm and smile make it a pleasure for anyone doing business with the Mendon Police.

Chief Dennis P. Grady is presently enrolled with Massachusetts Criminal Justice Training Council for 2 weeks of chief's in-service training. These are 10, 1 day classes throughout the fiscal year.

Lieutenant J. Martin Auty completed a 3 week program of study at Babson College. This course dealt with command training supervision and management.

Sgt. Philip G. Dunlavey completed a 2 week in-service program for sergeants only. This was conducted by MA Criminal Justice. This program was designed for the sergeants role in supervision and management. Sgt. Dunlavey also completed a 1 week school in the investigation and prosecution of rape.

Officer Ernest Horn is our resident medical officer. Ernie is an Advanced Life Support Emergency Medical Technician. Ernie teaches our department CPR and First Aid. Ernie has attended many meetings, seminars and schools pertaining to his medical services to this department. Ernie completed his Basic Police Training Academy this year. Ernie completed a 1 week school in Defensive Tactics and has demonstrated some of the new techniques to this department.

Officer Michael Sutton completed his Basic Training for Police Officers at Foxboro this year. Mike has also completed a course in familiarization, training and instruction of firearms. Michael is now the firearms instructor for this department, and qualifies each and every officer with their service revolver, at least once each year.

Nine Reserve Police Officers went to Reserve In-Service training for 9 weeks, completing the course. Three other Reserve Officers attended the course also, but will be completing the course in 1988. This is all sponsored by MA Criminal Justice Training Council.

All Officers qualified with their service revolver at least once during 1987.

All Officers received CPR and First Aid Training.

A Datamaxx Teletype Computer, with keyboard and screen was added to the department. Now we have immediate access to information on any person or any vehicle. With this new equipment, officers now know who they are dealing with, before hand, giving the officer an edge on his safety and effectiveness.

Our department continues to sharpen its skill with training. We will continue to train our men every year to keep them updated on laws and current affairs so that they can be the best officers they can be. I hope that the Mendon Police Department can grow as the community grows, so that we may adequately serve the fine people of Mendon.

I wish to thank all the town departments for working so well with the police. I look forward to working with you this year and for many years to come. I wish to thank all members of the police department for their concern, dedication, and professionalism. They make this a fine organization.

Respectfully submitted,

Chief Dennis P. Grady
Mendon Police Department

REPORT OF PLANNING BOARD

In 1986, the Planning Board received more applications for subdivision approval than it had in any other year in the history of the Town. The year 1987 topped that figure with nine new subdivision plans submitted. They were:

Carpenter Hill Estates, Carpenter Hill Road
Quissett Hill Estates, between Providence Street and Blackstone Street
Springwood Estates, Blackstone Street
Pines at Mill River, between Hartford Avenue East and Bellingham Street
Rosenfeld's at Mill River, Hartford Avenue East
Eagle Estates, Asylum Street
Blueberry Estates, Providence Street
Ellis Heights, Robinson Road
King Phillip Estates, Asylum Street

There were also numerous 81P plans submitted and plans submitted for the site plan review process.

The Board also presented articles at the annual Town Meeting which changed the "Rules and Regulations Governing the Subdivision of Land in Mendon." The new rules that were passed at that meeting include requiring the land area for a two family home to be 90,000 square feet and the frontage of that two family lot to be 300 feet. The Townspeople also voted in favor of protecting the wetlands by stating that "no part of any pond, stream, river, swamp or wetlands, shall be included as part of a lot for the purpose of determining the minimum dimensional requirements of the lot."

Even though this has been, by far, the busiest year that the planning Board has ever experienced, we will continue to keep the best interest of the Town and Townspeople in mind.

Respectfully submitted,

James F. Ruhan, *Chairman*
Peter I. Denton
Norman I. Rogers
Karen A. O'Brien
R. Bruce Jamieson

REPORT OF COUNCIL ON AGING

During the year 1987 appointments to the Council on Aging included that of Thomas Hackenson. Ann M. Stansbury was also appointed coordinator.

The Council is providing a well organized transportation arrangement; meals-on-wheels program; on-going surplus food distribution and also some social activities.

The Council would like to take this opportunity to thank the following for their generosity over the past year: Mendon Police Association, the Mendon Board of selectmen, the Mendon Lions Club, Mr. & Mrs. James Ferrucci, the Mendon-Upton Regional School District, and anyone who has helped us in any way.

We would like to thank helen Salvia for her work and support as coordinator of the Mendon Council on Aging.

Respectfully submitted,

Thomas Hackenson, *President*
Madeline Taft, *Secretary*
Peggy Phipps, *Treasurer*

REPORT OF SELECTMEN

TO THE CITIZENS OF MENDON

The year 1987 was a busy year for the Selectmen and was the beginning of many projects and policies.

We began the year with the resignation of Robert E. Caron so that he could run for the Highway Surveyor's position. We wish to thank him for the contributions he made to the Board during his term of office.

In May we welcomed a new member, Louis J. Carpenito, and congratulated him on his victory. At a reorganizational meeting, Robert R. Kelly was elected, again, as Chairman of the Board.

We voted to abolish the position of Superintendent of Streets after a ruling from both our Town Counsel and the Ethics Commission.

One of Selectmen Carpenito's first projects was to rectify the difficulty of the Town Hall and various departments not receiving their mail when the post office box was not designated on the correspondence. All mail without a post office box number is now delivered to the Town Hall and distributed to the various departments.

We held a hearing in June with EOCD concerning a set aside grant to assist a new business in town. We voted to enter into a contract with the State to loan money to Rudy's Food Service through the State Grant process.

We received notice that long time employee and volunteer, Francis Irons, would retire in June from the Highway Department. He has served his Town well and we wish him well in his retirement.

We appointed several new members to the Finance Committee to bring it up to a full complement in the course of the year.

At Mr. Fred Kelley's invitation, we met with a representative from Mass Electric to help iron out some problems and get a promise of better electric service for the Town.

We met with our neighboring Selectmen from Upton concerning the sale of school land for a highway barn. We asked for a set of plans that would show the whole parcel of land where the proposed highway barn would be built.

After long hours of research by Selectman Carpenito, we adopted an earth removal policy and procedure.

We instituted a check on all trailers in Town and required permits for all construction trailers.

We adopted a new vacation policy for all employees not under contract.

We appointed Mathew Mantoni a full time police officer for the Town.

An Affordable Housing Committee was officially appointed and the first meeting on a proposed site on Blackstone Street was presented to the public.

We held a hearing for a review of the earth removal rules and regulations September 28, 1987.

We met with a group of citizens concerned over truck traffic and Chairman Kelly gave a report on his conversation with Assistant Commissioner DiGeronimo.

We met with a representative from M.M.C., Inc., the Assessing Firm, to try and find out why our tax bills are not getting out on time.

We met with residents from Northbridge Street and Miscoe Spring Beverage to resolve some problems. Due to the cooperation on both sides the problem was resolved at a later date.

A hearing was held with DPW officials and concerned citizens regarding truck exclusion in Mendon.

An Emergency Planning Commission was formed as a result of a mandate from the State. This Commission will deal with hazardous materials in Town.

We were informed that the Mendon Affordable Housing Committee entered into a partnership with the State.

We held our first hearing under the earth removal policy and procedure on December 29, 1987.

The Board has been working on many projects in the course of the year and hope to implement many in the coming months. The Computer Study Committee (all volunteers) devoted many hours during the year to meetings as well as actual demonstrations to help choose a system for the Town.

New heaters were installed in the highway Barn Fire Station plus small hot water heaters for the Town Hall, Fire Station and Highway Barn.

Emergency lights were repaired and Fire Alarm system checked to see all is in good order.

We appreciate all the support we receive from our staff, various departments and most of all from the citizens of the Town.

Respectfully submitted,

Robert R. Kelly, *Chairman*
Frederic J. Kelley, Jr.
Louis J. Carpenito
Board of Selectmen

REPORT OF BUILDING COMMISSIONER

Permits issued during the year 1987 are as follows:

New Homes (single family)	38
New Homes (duplex)	6
Alterations & Repairs	28
Decks, Porches & Screened Porches	21
Additions	25
Sheds & Barns	27
Pools & accessory buildings	11
Garages	8
Foundations	6
Demolition	4
Temporary Structures	2
Stoves & Chimney	16
Total Permits Issued	192

Thirteen Certificates of Inspection were issued during the year. Sign Permits were approved for fourteen applications. A total of $17,324.00 was turned over to the Town Treasurer.

Respectfully submitted,

Thomas D. Hackenson
Building Commissioner

REPORT OF PLUMBING INSPECTOR

During the year 1987 there were a total of eighty-three (83) permits issued. The sum of $2,818.00 was turned over to the Town Treasurer.

Respectfully submitted,

Robert J. Rossetti
Plumbing Inspector

REPORT OF GAS INSPECTOR

During the year 1987 there were a total of twelve (12) gas permits issued. A total of $383.00 was collected and turned over to the Town Treasurer.

Residents are reminded that if there is any type of work performed on their gas installations or appliances in which lines are disconnected and then reconnected, such work MUST be done by a licensed gas installer and a permit MUST be obtained for same.

Respectfully submitted,

Robert J. Rossetti
Gas Inspector

REPORT OF WIRING INSPECTOR

During the year 1987 wiring permits numbering 927-1074 were issued. The total value of $5,370.00 was received and turned over to the Town Treasurer.

Respectfully submitted,

Walter J. Butler, Jr.
Wiring Inspector

Hartford Ave. East at Muddy Brook	262½ Linear Feet

On July 1, 1987 Highway Surveyor/Superintendent, Francis Irons retired after many years of dedicated service to the Town. I would like to thank him for his assistance during transition and wish him many years of happy retirement.

Respectfully submitted,

Thomas P. Guerra
Highway Surveyor

PROCLAMATION

August 22, 1987 — Mendon Senior Citizen Day

whereas: elders age sixty and over constitute 17.5% of the population in Massachusetts, and

whereas: the American dream includes a belief in self-reliance, a respected place in the community, and independence, and

whereas: elders have provided valuable models of character, talent, wisdom, knowledge, and ability which have enhanced and continue to greatly enhance our society, and

whereas: as the people and the communities of Massachusetts enter a new era rich in promise and of economic change and social challenge, elders are actively accepting new opportunities and challenges, and

whereas: the presence of 336 Councils of Aging, 223 senior centers, twenty-seven home care corporations, and 23 Area Agencies on Aging helps to forestall or minimize the need for institutionalization of Massachusetts elders, and

whereas: the principle of elders helping elders is essential to the maintenance of a life of elder independence,

now therefore, We, The Board of Selectmen of Mendon, Massachusetts, do hereby proclaim August 22, 1987, as "Mendon Senior Citizen Day."

Robert R. Kelly, *Chairman*
Frederic J. Kelley, Jr.

ANNUAL REPORT
of the
MENDON-UPTON REGIONAL
SCHOOL DISTRICT COMMITTEE

Year ending December 31, 1987

ORGANIZATION — SCHOOL COMMITTEE

Mrs. Joan Scribner, *Chairperson*	Term expires 1989
Mrs. Frederick J. Pironti, *Vice Chairperson*	Term expires 1988
Mr. Steven Rakitin, *Secretary*	Term expires 1990
Mr. William C. Young, *Treasurer*	Term expires 1988
Mrs. Joy DiLegge	Term expires 1989
Mr. Philip Flaherty	Term expires 1990

SUPERINTENDENT

David A. Crisafulli, Ed.D.	$57,330.00

SUPERINTENDENT'S OFFICE

Mrs. Roberta Ciaramicoli (part-time)	$ 8,660.00
Mrs. Anne R. Fagnant (part-time)	$5.96/hr.
Mrs. Helen L. LaRose, *Ass't. Treasurer/Financial Secretary*	$20,400.00
Mrs. Edith M. Lebel, *Executive Secretary to the Superintendent*	$20,750.00
Mrs. Diane R. Sullivan (part-time)	$5.96/hr.

NIPMUC REGIONAL HIGH SCHOOL

Mr. Anthony H. Gulla, Jr., *Principal*	$45,659.00
Mr. Allan J. Byrne, *Assistant Principal*	$44,600.00

MISCOE HILL MIDDLE SCHOOL

Mr. William Milligan, *Principal*	$43,585.00

MEMORIAL AND HENRY P. CLOUGH SCHOOLS

Mr. Edward M. Soter, *Principal*	$43,585.00

HEALTH SERVICES

Christian W. Aussenheimer, M.D.	Mrs. Joyce Hoberg, R.N.	$18,578.00
John P. Cocciarella, M.D.	Mrs. Elvira Townsend, R.N.	$18,578.00
Bernard F. McKernan, M.D.		

SCHOOL DIRECTORY — 1987

SUPERINTENDENT OF SCHOOLS

David A. Crisafulli, Ed.D., *Superintendent* Telephone: 529-7729

Office: Knowlton-Risteen Memorial Building, Upton

Executive Secretary: Mrs. Edith M. Lebel

Financial Secretary: Mrs. Helen L. LaRose
Clerks: Mrs. Roberta Ciaramicoli
Mrs. Anne R. Fagnant
Mrs. Diane R. Sullivan

NIPMUC REGIONAL HIGH SCHOOL

Anthony H. Gulla, Jr., *Principal* Telephone: 473-0994
Allan J. Byrne, *Assistant Principal* Telephone: 473-0995

SCHOOL CALENDAR
1987 - 1988

Fall Term, Fifteen Weeks:

Term begins Monday, August 31, 1987
Term ends Wednesday, December 23, 1987

Winter Term, Five Weeks:

Term begins Monday, January 4, 1988
Term ends Friday, February 12, 1988

Spring Term, Eight Weeks:

Term begins Monday, February 22, 1988
Term ends Friday, April 15, 1988

Summer Term, Seven Weeks:

Term begins Monday, April 25, 1988
Term ends Monday, June 13, 1988

Holidays:

Labor Day	September 7, 1987
Columbus Day	October 12, 1987
Veterans' Day	November 11, 1987
Thanksgiving	November 26-27, 1987
Christmas and New Years	December 25, 1987-January 1, 1988
Martin Luther King Day	January 18, 1988
Good Friday	April 1, 1988
Memorial Day	May 30, 1988

SCHOOL ENROLLMENT

Distribution of school attending children, residents of the Town of Mendon and the Town of Upton as of October 1, 1987 taken from school registers. The annual census will be taken during the month of January 1988, according to State Law.

	MENDON			UPTON

Upton 600 = 48.74%

MENDON—UPTON REGIONAL SCHOOL DISTRICT

To the Citizens of Mendon and Upton:

The Mendon-Upton School District's goal of improving the quality of education for students and achieving academic excellence moved considerably forward during the 1987 school year. Programs initiated in the areas of curriculum development, improving the quality of student life, school effectiveness, and staff development were completed.

The effects of the school development program have left a positive mark on the student body and faculty at Nipmuc Regional High School. Last summer, a second retreat focused on the Faculty and Students Working Together Program (FAST). The program's goal was to develop a democratic school with greater student and faculty input into the decision making process. The retreat was opened to all faculty and students who wished to participate. At the one-day retreat, participants focused on the development of leadership skills, group processing, and the mutual goal of working together in order to develop strategies for identified school issues.

The high school curriculum has been supplemented by the addition of a number of new courses as recommended by the faculty and approved by the school committee. Students were able to select honor courses in math, science, history, computers, foreign language, and English. Other courses were upgraded in the general and college programs. With the implementation of computer scheduling, additional staff in English and Science, student instructional opportunities and smaller class sizes have created optimum learning opportunities.

The Nipmuc profile for the graduating class of 1987 supported the school district and community effort in improving the quality of education. A greater number of students entered four-year and two-year college programs. Students were able to be competitive with much larger school districts thus entering some of the most outstanding colleges in the country. Students who completed some of the schools specialty and career programs entered the job market with well-trained skills and the opportunity, at a later date, to continue their education.

The goals of continued growth and improvement in all facets of the high school program are ongoing. Future work has begun in planning for other FAST activities and the development of additional educational options for all students at Nipmuc. The community's support and stronger parent involvement in the educational process have been a factor in the success that has taken place at Nipmuc Regional High School.

Educational challenges have been underway at Miscoe Hill Middle School and the Clough and Memorial Elementary Schools. The development of strong curriculum teams and a new organizational structure with K-8 curriculum coordinators continues to examine current district instructional practices. Test scores taken from the California Test of Basic Skills and the State Skills Test provided base-line data indicating that district middle and elementary students have a strong mastery of learning concepts in all subject areas. The district's effort to monitor these scores in a critical manner enabled staff and administration to support educational curriculum recommendations.

The district's effort to provide staff with inservice activities to enhance teacher effectiveness played a major role in the district's instructional success. Staff's dedication to improve their instructional effectiveness and to participate in the development of critical thinking skills to enhance student learning was a major goal at the elementary levels.

The Miscoe staff has been involved in a Middle School Exchange Program. Staff and administration are viewing a number of programs (instructional and organizational strategies). Through the utilization of inservice funds, staff visitations to other middle school programs continue to be scheduled.

The district's desire to improve all phases of the school programs resulted in a number of administrative activities during the last year. A kindergarten and a building task force were formed. The kindergarten task force has been exploring a number of school day options that might provide different instructional and developmental options for our preschool and kindergarten population. A report of the committee's findings and recommendations will be presented to the school committee in early spring. A building committee task force was formed to examine the current school facilities and future district student growth. During the last year, the committee visited each facility and generated a preliminary report. Future endeavors of the committee will be the exploration of building and renovation strategies for each school. An architectural and engineering report was completed on the two elementary schools and is currently under review. The task force will make a preliminary report to the school committee when all available information is reviewed.

Horace Mann Scholars have been selected to enhance the instructional programs in computers, critical thinking skills, and teacher evaluation process. The Scholars program has provided staff the opportunity to study areas of district and personnel interest that are beneficial to district growth and instructional improvement.

The 1987 school year has truly been marked by educational success and growth. Transition programs, begun earlier, marked by hard work and dedication by staff, students, parents and the school committee have enabled the district to reach new heights. The district's approach to be open and involve all interested parties has created a strong bind for the ideas and philosophies that have emerged. School climate is epitomized by positive school morale and a caring, sensitive attitude toward assisting and providing the greatest educational opportunities for our students. The desire to have staff achieve these ends is reflected in the community's financial assistance and the school committee's vision to expect the very best for the Mendon-Upton Regional School District.

The school committee and faculty have appreciated the communities continued financial and moral support to achieve these goals and both school committee and staff look forward to meeting new challenges. This highly renewed educational spirit has enabled the district to be recognized as one of the most outstanding school districts in the area.

Respectfully submitted,

Joan M. Scribner (Mrs.), *Chairperson*
Frederick J. Pironti, *Vice Chairperson*
William C. Young, *Treasurer*

Edward S. Henderson	Upton
Herman Buma	Uxbridge

Anthony F. Rando - Treasurer
David A. Rando - Counsel
Margaret Asadoorian - Recording Secretary
Eugene D. Picard - Superintendent-Director

Regular School Committee meetings are held at the Blackstone Valley Regional Vocational Technical High School, Pleasant Street, Upton, MA on the third Thursday of each month in the School Committee Conference Room at 7:30 p.m.

DAY SCHOOL

The vocational-technical high school opened its 1986-87 school year on August 19, 1986 and concluded academic instruction/vocational training on June 8, 1987. Over nine hundred (900) high school students completed one hundred and eighty (180) days of educational activity designed to prepare them for gainful employment and/or further education upon graduation. Since its opening in 1966, this unique vocational regional high school has served approximately four thousand eight hundred and fifty (4,850) young men and women in their pursuit of an education which provides knowledge, skills and attitudes leading to fulfillment of personal aspirations and economic independence.

Each student participated in 990 hours of formal instruction/training during the school year. Students alternated in two week cycles between complementary components of **academic study** - English, math, science, social studies, physical education and business subjects - and **vocational instruction** in one of fifteen vocational programs - Auto Body, Auto Technology, Computer Information Processing, Culinary Arts/Baking, Drafting, Electrical, Electronics, Graphic Arts, Health Services, Heating/Ventilation & Air Conditioning, Machine Shop, Metal Fabrication, Carpentry, Painting & Decorating, and Plumbing. A school day consisted of 5½ hours per day with sessions starting at 7:55 a.m. and ending at 2:00 p.m.

In addition to regular education services, special education services were provided for one hundred and sixty-five (165) students. Each of the students received assistance in overcoming learning impedence as prescribed by an individual education plan. The majority of special education students were ''mainstreamed'' in complementary academic study and vocational-technical programs.

A unique training program, Cooperative Education, provided one hundred and twenty-eight (128) seniors with on-the-job experience during the school year. Students involved in the "outside" employment received credit for real work as employees-in-training with eighty-five (85) different employers who cooperated with the school by making positions available in their companies. The jobs allowed students to refine their occupational skills and to experience genuine work for which they were paid an entry level wage. The partnership between industry and the school has been a classic example of meaningful education by which the "learner" is introduced to meaningful work as a natural component of the educational experience. The community at-large benefits also, in that graduates become familiar with opportunities within the vocational regional school district thereby insuring a continuous infusion of educationally competent people for the expanding Blackstone Valley Region's economy.

Day school enrollments among the member towns effective October 1, 1986 were as follows:

Town	Grade 9	Grade 10	Grade 11	Grade 12	Total	(M)	(F)
Bellingham	29	27	23	21	100	(83)	(17)
Blackstone	16	18	11	10	55	(48)	(7)
Douglas	13	10	9	9	41	(29)	(12)
Grafton	28	24	26	20	98	(67)	(31)
Hopedale	10	8	3	4	25	(23)	(2)
Mendon	5	9	9	9	32	(22)	(10)
Milford	47	41	16	35	139	(108)	(31)
Millbury	31	33	34	32	130	(106)	(24)

GENERAL COMMENTS

Modernization and revision of the school's Program of Studies was fully implemented in 1986-87. As a result of the "three-year effort," academic subjects and vocational programs have been aligned in a coherent play whereby every student is challenged academically and simultaneously is assured of receiving in-depth instruction/training in his/her chosen vocational-technical program. Each of the fifteen vocational-technical programs has a complementary core of academic subjects (English, math, social studies and science), sequentially arranged to enhance and reinforce learning in terms of individual abilities and occupational standards. Every student can be scheduled with a program of study which is individualized and which also assures personal accomplishment commensurate with the student's abilities or interests, provided the student applies himself or herself completely to the task at hand. Full use of electronic scheduling allows the complex scheduling of the entire student body.

Extra-Curricular

Interscholastic athletics were conducted primarily through the Dual Valley Conference. The "Valley Tech Beavers" competed in: Cross Country, Soccer, Basketball, Baseball, Softball, Track and Field, and Cheerleading. Female and male athletes played against teams from Blackstone-Millville Regional, Douglas, Hopedale, Mendon-Upton Regional, Sutton, Bromfield, Tahanto Regional, Keefe Vocational Regional, Assabet Vocational Regional and Tri-County Vocational Regional. The Cross-Country and Track/Field teams had outstandingly successful years. Both the boys basketball and baseball teams qualified for the first time to play in District tournaments at the conclusion of their seasons. Approximately 200 young men and women participated in the school's sports program.

Other extra-curricular activities in which students participated throughout the school year included: elected class officers for sophomore, junior and senior classes; sponsorship of two very successful blood drives at which over 200 pints of blood were collected; several school dances were organized and successfully carried out; Thanksgiving and Christmas collections drives were conducted. Funds raised from students provided food baskets and gifts which were distributed to needy families in the region. The Graphic Arts program developed and printed the senior yearbook for the 18th time. Also published was the students' literary magazine, BEAVER TALES. Approximately fifty (50) students competed in the Vocational-Industrial Clubs of America. A highlight of the school year was the Junior/Senior Prom which was held at the Framingham Sheraton-Tara on April 21, 1987.

Extended Facilities Usage

The school's training facilities were fully utilized throughout the year. Citizens of the region regularly used services of the Auto Body and Auto Technology programs. Likewise, the Three Seasons Restaurant also was very busy providing public luncheon services throughout the year. Each of the programs provided practical experience for students and served the regional community beneficially.

Evening adult training programs were conducted in the fall and spring semesters. Self-supporting training programs consisting of 48 hours of specific vocational-technical instruction were offered in the areas of Auto Body, cabinet-making, machine shop, welding, computers, graphic arts, electrical, electronics, computer-assisted drafting and computerized-numerical-control. Over 200 men and women paid tuitions in order to receive instruction/training based on occupational standards.

During the months of July and August the school district cooperated with the Career Development Center in Hopedale to provide exploration/training for 55 boys and girls (ages 14-16) with experiences in graphic arts, food services, carpentry, auto body and welding. Funds for the program were provided by the Federal government.

Extensive planning begun in 1985-86 concluded this year with an agreement to initiate a unique two-year post secondary program. The goal of the program will be to enroll students who want to acquire an Associate Degree in Applied Science (Automotive Technologist) from Quinsigamond Community College and who will receive technical training at the vocational-technical school reinforced with practical experience at cooperating Ford-Mercury dealerships. Called ASSET, the specialized program will be supported from tuition paid by the students. Initial start-up costs will be provided through state/federal grants. This will be a self-sustaining effort at no cost to the district. The district will provide the training site for which a rental fee will be received. The Ford Motor Co. will furnish vehicles and other training equipment. We look forward to this exciting, worthwhile and needed venture.

Celebration and Recognition of American Vocational Education

During the week of February 9, 1987 a major effort was made to celebrate and recognize the role and accomplishments of American Vocational Education throughout the United States. The Division of Occupational Education and the network of public vocational schools joined forces in a statewide coordinated effort to rekindle public awareness of the importance and influence of vocational technical education.

The vocational-technical school was opened for public viewing throughout four school days. A magnificent vocational-educational fair in the converted gymnasium was held on the evening of February 11 where all educational programs (academic, vocational-technical and extra-curricular) were displayed in thirty-three booths; the cost of which was underwritten by contributions from vendors who supply the school. Several vocational-technical shops also displayed processes in which student-trainees were engaged. The Three Seasons Restaurant served 200 patrons from 5:30 p.m. to 8:30 p.m. An informational breakfast was held for local officials at which time a history of the school was presented along with a review of current activities and plans for the future. It was estimated that well over 3,500 visitors came to the school during the week of celebration.

As a culminating activity, a Recognition Banquet for twenty-five (25) outstanding vocational students, from every corner of the Commonwealth, was held at Mechanics Hall in Worcester. Former state senator and chairman of the Joint Committee on Education, Gerard D'Amico, was the featured speaker.

It was announced during the week that Blackstone Valley Tech was selected to be one of five vocational-technical high schools to be highlighted in a television promotion during the school year 1987-88.

M.G.L. Chapter 188 (School Improvement Act)

The Commonwealth's School Improvement Act provided the vocational regional school district with supplemental funds. Four grants were received. They were:

1. **School Improvement Council** - $9,040. As required, an advisory council composed of two parents, a student, two teachers and the school principal, was organized. The council recommended: acquisition of two electronic typewriters for faculty use; hiring of a public information person; and purchase of equipment/software for electronic media. The School Committee approved the utilization of the funds as recommended.

2. **Horace Mann Grant** - $6,480. As required, the School Committee and Teachers Association collectively agreed to establish liaison positions from within the faculty ranks to: coordinate revisions and modernization of academic and vocational/technical curricula; establish an assistant position for COOP education supervision; develop a health curriculum whose focus would address drug abuse issues, the problem associated with AIDS, teenage pregnancy and teenage suicide.

3. **Equal Educational Opportunity Grant** - $149,669. As required, the funds were used to supplement appropriations for instructional purposes, the lunch program and to offset rising liability insurance costs. The school district's eligibility to receive these funds is based on the fact that its expenditures per pupil were considerably below 85% of the average expenditure per pupil statewide. Each of the member towns voted to permit the vocational regional school district to receive and utilize the funds as prescribed by statute.

4. **Professional Development Grant** - $67,345. As required, the funds were used to supplement teacher compensation, based on a collective agreement between the School Committee and Teachers Association, whereby 64 eligible teachers/guidance staff applied for an equal remuneration in fulfillment of one of the following options: Vocational Program Modernization; Academic Course Modernization; completion of an approved college course (3 credits) in his/her subject area; visitations to three vocational-technical schools to compare specific programs and submit a report on findings; development of handbooks associated with either Guidance, Special Needs or Media. Each of the member towns voted to permit the district to receive and utilize this grant as prescribed by statute.

5. Basic Skills Tests were administered to 9th grade students in the fall of 1986. The results were satisfactory and helpful in identifying students who needed additional support.

6. Statewide Achievement Tests were administered to 11th grade students in 1986. Unlike Basic Skills, the Achievement Testing results are used to assess school curriculum and to compare results of school systems which have similar characteristics. The general areas tested included reading, mathematics and science. Juniors scored at an average level in reading and math; they scored above average in science when compared to general high schools of the Blackstone Valley. In the comparison to vocational-technical high schools across the state, results were better than most vocational-technical high schools. School officials worked on improving those areas in the curriculum which appeared to be less than average within the three broad categories.

Facilities

The School Committee continued improvement and maintenance of the school plant during the past year. The facilities manager applied for and received a state energy grant in the amount of $122,957 to upgrade energy conservation measures. The funds were used to: replace two original oil burners installed in 1965, converted heat and ventilation controls to a fully automated system, installed heat barriers on outside doors and installed water saving devices on shower heads. This coordinated effort was designed to reduce energy waste by at least 20%. The plan received national recognition, having been rated the third best energy saving proposal advanced by a public facility throughout the nation.

Next year the School Committee will be taking steps to repair roofs installed in 1965. Normal maintenance is no longer stopping persistent leaks which are occurring more frequently.

Graduation - Class of 1987

The Class of 1987 held its graduation in outdoor ceremonies on Saturday, May 23, 1987. One hundred and eighty-five young men and women received diplomas and vocational-technical certificates from Vice Chairman Kevin Harvey of Bellingham. Class officers who led the seniors were: President, Brendan Cahill (Machine Shop Program-Uxbridge); Vice President, Kerri Lavoie (Graphic Arts Program-Uxbridge); Treasurer, Tammy Beauchamp (Drafting Program-Northbridge); Secretary, Jessica Kelliher (Graphic Arts Program-Uxbridge).

Reverend Daniel Dower of Sacred Heart Parish, Hopedale, opened the ceremonies with a very appropriate Invocation.

Dr. Carl F. Simmons, President Designate of Central New England College addressed the graduates. In addition to congratulating the graduates for their achievement in both academic and vocational pursuits, he urged them to use their knowledge, enthusiasm and skills to further their own well-being and to utilize their talents for the betterment of society. He stressed personal commitment and persistence in striving to achieve their highest aspirations.

Eight students were recognized for being on the Superintendent-Director's Commendation list, eleven and ten terms respectively. The Award recognized graduates who consistently and regularly excelled in their vocational field of training, achieved satisfactorily in their academic studies and conducted themselves with distinction throughout four years. They were:

Eleven Trimesters - Darren Brady (Electronics Program-Douglas), Lisa McNeill (Graphic Arts Program-Upton), Craig Picard (Electronics Program-Upton), Timothy Remillard (Automotive Technology Program-Upton)

Ten Trimesters - Steven Bazin (Information Processing Program-Sutton), Ellen Cote (Drafting Program-Upton), Jessica Kelliher (Graphic Arts Program-Uxbridge), and Christopher White (Culinary Arts Program-Millbury)

The Division of Occupational Education, Massachusetts Department of Education, awarded its first Commonwealth Outstanding Vocational Student Award to Craig Picard. The award was presented in ceremonies at Mechanics Hall, Worcester, where vocational students throughout the state were honored for their achievement, performance and extra-curricular participation during four years at their respective vocational schools.

Forty-six (46) young men and women planned to pursue advanced study at either public or private, two/four year institutions beyond high school. That represents twenty-five percent (25%) of the Class of 1987 accepted at schools of higher learning.

One hundred twelve (112) graduates were placed in occupations directly or indirectly related to the fields for which they trained. Eight (8) graduates planned to enter the military. Nineteen (19) young people were undecided what to pursue.

The graduating class consisted of 134 young men and 51 young women.

Below is the placement record for the Class of 1987 in terms of vocational/technical programs pursued:

Vocational/ Technical Programs	No. of Grads	Employed	Military	Post Undecided	
Air Conditioning	7	6	—	—	1
Auto Body	7	7	—	—	—
Auto Technology	11	6	3	1	1
Carpentry	12	11	—	—	1
Culinary Arts	19	8	6	2	3
Information Processing	14	4	7	—	3
Drafting	10	4	6	—	—
Electrical	11	7	3	—	1
Electronics	20	6	9	2	3
Graphic Arts	20	14	3	—	3
Health Services	7	3	3	—	1
Machine Shop	14	9	3	—	2
Metal Fabrication	11	9	1	1	—
Painting & Decorating	8	6	1	1	—
Plumbing	7	7	—	—	—
	185	112	46*	8*	19

*Note: (1) Forty-one (41) of those planning to attend post-secondary schools were employed upon graduation.

(2) All of those planning to enter the military were employed and were scheduled to pursue service occupations directly associated with the vocational-technical fields in which they trained.

District Personnel and Services

School Year staff (182 days) employed by the Vocational Regional School District consisted of both professional and support personnel. Staffing patterns were as follows:

Direct Education		Ancillary Education		Support Services	
Vocational Instructors	39	Media	1	School Nurses	2
Academic Teachers	24	Counselors	3	Cafeteria Workers	11
Special Educ. Teachers	5	Coordinators	2	Sec./Clerical	4
		Supervisors	2	Matron	1
		Teacher Aides	4	Custodian	1

Full Year staff employed by the Vocational Regional School District consisted of:

Superintendent-Director	1	Secretaries	3
Assistant Director (Principal)	1	Custodians	5
Facility Manager	1		

Student transportation (to and from school) was provided by five contracted conveyors covering twenty-two (22) bus routes throughout the 225 square mile district. In addition, four (4) late-afternoon buses were used on Tuesdays and Thursdays to return students to their towns after having been involved in extra-curricular activities or because they were detained for disciplinary reasons.

Four excellent professionals retired with the completion of the school year. They were: Roland Benoit (Machine Shop Instructor), Thomas Mullins (Automotive Instructor), Arthur Croteau (Technical Drawing Instructor) and Elizabeth Miller (Special Education Teacher). They will be missed. Collectively they represented over 70 years of teaching experience.

Two Valley Tech teachers were selected by their peers to receive Outstanding Teacher Awards presented by the VFW Post of Millbury. They were Pauline Westcott, Reading Teacher, and John Pierce, Painting and Decorating Instructor. They were honored at a presentation held on January 24, 1987 in Millbury. As usual, the collective wisdom of our professionals made it easy to select two Outstanding Teachers, who deserve our sincere congratulations. Mrs. Westcott and Mr. Pierce are outstanding professional educators who exemplify all the qualities and attributes reserved for the "best" in education. They deserve all the accolades commensurate with the public recognition as "Outstanding Teacher."

Conclusion

Completing twenty-one years of operation, we are pleased to report that the Blackstone Valley Vocational Regional School District continued to grow, develop, adapt and serve the needs of individual member towns and the area in general. Every effort has been made to correct imperfections as well as to introduce new ideas and adjust to prevailing circumstances. Commitment to attaining excellence, in every facet of the vocational regional school district's endeavor, has been the guiding principle of the school committee, administration, faculty, support staff and many advisory committees.

We genuinely believe that the concept of vocational-technical education, supported and sustained cooperatively through a regional agreement, is the most efficient and cost-effective means of providing for the preparation of youth to undertake adult responsibilities upon completion of publicly-supported secondary education.

In behalf of the students, past, present and future, all of us directly connected with the delivery of quality vocational-technical education, express our appreciation and thanks to the citizens of the Blackstone Valley Vocational Regional School District for their complete support — moral and financial. Without adequate public investment, this unique educational institution would not be possible.

Respectfully submitted,

Eugene D. Picard
Superintendent-Director
